

Children receive Reward Scheme Tokens which they exchange for small prizes each month.

For those attending the Sunday School we run week night activity evenings.

Once a year we take the entire Sunday School on a camp-out, and we have a 'Prize Giving Sunday' each November.

Why not encourage your children to attend a Sunday School where they learn the great moral principles of the Bible, and the way to find faith in the Lord Jesus Christ for themselves?

- ☀️ Traditional Sunday School
- ☀️ Experienced, caring teachers
- ☀️ Age 4 & upwards
- ☀️ Separate Bible Class for teenagers
- ☀️ Free of charge
- ☀️ Transport can be arranged
- ☀️ Reward scheme
- ☀️ Week night activity evenings

Baldock Sunday School

at the Community Centre, Simpson Drive
every Sunday 09.15 to 10.15am

Preparing today's children for life's challenges...

“Our Sunday School provides children and young people with traditional Christian foundations for life.”

Pastor Jonathan Northern

- * **Every Sunday 09.15 –10.15am**
- * **Age 4 & upwards**
- * **Separate Bible Class for teenagers**

Our society has largely abandoned the traditional values which were the bedrock of former generations.

With this moral collapse, and the difficult situations children can fall into as they grow up, we believe Sunday School work is vital.

We aim to teach children the timeless lessons of the Bible, by combining the often gripping accounts of people like Moses, Joseph, David, Ruth, the Apostle Paul and the Lord Jesus Christ, with modern teaching aids and illustrations.

These materials are used by many Sunday Schools nationally.

The Sunday School has been in operation since 2002, but most of the teachers have many more years of experience

Each week the main lesson is supplemented by a range of activities including singing, quizzes and project work

Every week the children are given a take home sheet, so parents know what their child has been taught

Our staff are covered by a comprehensive Child Protection Policy and have been **CRB-checked**

You will receive a detailed **Welcome Pack** on registration. It may be possible to collect your children. No charges are made.
